RECOMMENDATION FORM

The person filling out this form should be an adult (not a parent or legal guardian)

The Multnomah Athletic Foundation supports confidence and character-building opportunities with an emphasis on athletic participation for youth in underserved communities. The Youth Grant Initiative (YGI) is a unique and exciting opportunity for youth (grades 7- 8 as of September 2018) to explore community outreach through the process of giving grants.

At the Multnomah Athletic Foundation, we believe that youth have the power to create change and bring people together through athletics. Not only do we value their insights and opinions greatly but also believe in their abilities to make a difference through acts of service. Joining the YGI team is an opportunity for them to be in charge of the future by creating and leading an epic journey through the world of philanthropy and ultimately changing our communities through athletics for the better.

We are looking for driven and active participants with an interest in leadership, community engagement, athletics and the ability to attend all meetings.

Your Name _____

Name of Applicant _____
