

MULTNOMAH ATHLETIC FOUNDATION 30 YEARS

Milestones remind us of formative moments and people that made them happen. These glimpses into our history inspire us as we dream of what is possible in the future. Every day we are working to deepen our connections to provide opportunities for youth in our community through partnership and collaboration. Below you'll find an abridged 30 year timeline to show where we've been and we wanted to include you on the journey. We find everyday inspiration in these experiences and we hope you will see the foundation as an incubator of possibilities.
