

MULTNOMAH ATHLETIC FOUNDATION

As a community, we strive to foster connections, engage new voices, and work to encourage remarkable individuals in activity for youth. Getting people involved around ideas and action even as we are separated continues to be a priority for us.

TOGETHER WE CAN... SUPPORT OPPORTUNITIES

The foundation directs seven scholarship programs, named for amazing MAC members and staff. This year, MAF is funding \$130,000 for 58 scholarships. Our volunteers worked to update the scholarship selection criteria and online application system to be more relevant and reflective of our community and the world today.

TOGETHER WE CAN... BUILD A STRONGER COMMUNITY

MAF awarded \$60,000 to local nonprofits in June alone! The foundation prioritizes being responsive to today's needs by giving our community grant partners freedom in providing their outreach and services. Through experiences like the Youth Grant Initiative, the foundation engages middle school students from the community to lean into the power of their voices while making funding decisions.

TOGETHER WE CAN... CONNECT PEOPLE

MAF is reaching out to include new voices and perspectives. This past year, the foundation coordinated six events including a media day experience for high school athletes from 29 schools, three inclusion panels highlighting community leaders and MAC members, and we expanded our volunteer engagement through virtual connections.

"We are actively committed to maintaining access to grants and scholarships during this continual period of transition and adaptation," said Scott Dougherty, board co-chair. "The community support from members provides hundreds of underserved youth access to opportunities through athletics and gives our nonprofit partners access to the resources they need."

The Multnomah Athletic Foundation's board of directors and the MAC's board of trustees together endorse the annual fund drive to be held in October, which fuels the foundation's ability to provide grants and scholarships. Thank you in advance for your support and commitment in the future.
