

October 2024

Dear MAC member,

Together **we raised more than \$185,000** to enable youth participation in athletics and education!

The Multnomah Athletic Foundation thanks you for your **\$25 contribution** during the Annual Fund Drive, in partnership with the Multnomah Athletic Club’s Board of Trustees. The foundation continues to grow and thrive thanks to the strong support of MAC members. Since 1991, the foundation has fostered opportunities in the Portland metropolitan area by funding grants to nonprofits focused on youth athletic participation and awarding scholarships to student athletes.

In 2024, we awarded **\$120,000 in community grants** to create positive, meaningful opportunities so youth can feel inspired and connected to their community through athletics. You are bringing educational opportunities directly to student-athletes through **\$130,000 in scholarships** based upon financial need, athletic participation, and merit.

Beyond just the numbers, your contribution to the Annual Fund Drive has become a **multiplier** out in the community, extending the influence of MAC members beyond the walls of the building.

There are a number of ways you can be involved in the foundation’s efforts, and we appreciate the energy and enthusiasm MAC members bring to the community outreach. See what we’re up to in 2025, and stay in touch by visiting [MultnomahAthleticFoundation.com](https://www.MultnomahAthleticFoundation.com).

Thank you again for your generosity and support,

Debbie Williams & Linda Favero, Co-Chairs, Board of Directors

Lisa Bendt, Executive Director

For your records, the Multnomah Athletic Foundation tax ID number is #93-1014651. No items or services were provided as part of your gift; therefore, your contribution to the Foundation is tax deductible to the extent permitted by law. This is a onetime correspondence to provide a thank you acknowledgement and receipt.
