Congratulations!

You have been nominated for the MAC Scholar Athlete program in 2026!

Only three students from your high school were nominated for this opportunity. Nominees are invited to apply for the opportunity and one individual per school will be selected for the award.

The MAC scholar athlete program is for high school sophomores who are involved in competitive athletics, committed to their academics with a minimum GPA of 3.0, and making a positive impact in their community.

The MAC Scholar Athlete Program accelerates the success of promising students by providing access to a community that enhances athletic performance, educational opportunities, and social connections.

We select one sophomore student from each of the 30 program schools for the 2026 cohort.

What is in it for you?

1. A $1,500 college scholarship available to be used within four years after high school graduation.
2. Two-year membership to the Multnomah Athletic Club with access to over 600,000 sq. feet of athletic and social space. You can even extend the membership until you are 26 for nominal monthly dues.
3. Being part of an impressive cohort of 30 area high school students dedicated to athletics, academics, and their communities. We already know you are amazing and poised to make an impact on the community.

So, what is next to be considered?
