

October 2026

Dear MAC Member,

Together we raised more than **\$181,000** to enable youth participation in athletics and education!

Now more than ever, The Multnomah Athletic Foundation is grateful for your **\$25 contribution** during the Annual Fund Drive, held in partnership with the Multnomah Athletic Club's Board of Trustees. Your generosity ensures that the Foundation continues to grow and thrive through the steadfast support of MAC members.

For your records, the Multnomah Athletic Foundation tax ID number is #93-1014651. No items or services were provided as part of your gift; therefore, your contribution to the Foundation is tax deductible to the extent permitted by law. This is a one-time correspondence to provide a thank you acknowledgement and receipt.

Since 1991, the Foundation has strengthened opportunities across the Portland metropolitan area by funding community grants that expand access to athletics and awarding scholarships to student-athletes who balance academic achievement, financial need, and athletic dedication.

In 2026, your support funded **\$104,000 in community grants**, creating meaningful opportunities for youth to feel inspired and connected through athletics. Additionally, you helped provide **\$163,000 in scholarships** to student-athletes, ensuring educational opportunities are accessible to those who need them most.

Beyond these numbers, your contribution to the Annual Fund Drive has become a powerful multiplier in the community. It extends the influence of MAC members well beyond the walls of the Club, strengthening nonprofits, uplifting students, and creating ripples of opportunity that last far into the future.

To learn more about the nonprofits and student-athletes you are supporting, find stories and updates at MultnomahAthleticFoundation.com.

Thank you again for your generosity and support,

Dan Williams, MAC President

Jenny Todenhagen & Ryan Harvey, Co-Chairs, Board of Directors
